

## **Domain Wholesale Price List Regulations**

1. The number of active domains and the related discount for the Subscriber according to the wholesale price list are automatically converted at the time of sending the payment reminder for a given domain covered by the promotion.
2. The current renewal price of a domain can be found in the Customer Panel on WEBD.pl.
3. The terms of the wholesale price list cannot be used by Subscribers, who have not paid for domains or have delayed payment for domains by the deadline specified in the pro forma invoice, attached to the payment reminders sent. The date of receipt of the payment should be understood as the moment of its receiving by WEBD.pl.
